SEATING CHARTS, MENUS, TIMELINES

Beehive Designs by Brandon Elizabeth Events is pleased to offer customized seating charts, menu boards, and timelines for your next event. Due to complexity of project, quotes can only be provided after a free consultation. At that time, we will gather all necessary information to establish a quote. Items that may affect pricing are as follows: size and scope of project, number of guests, number of tables, intricacies of names, meals, and schedule, etc.
